

8 Parts of Speech Quiz

It was almost four months ago. I had walked down to the DX station to get a bottle of pop and to see Steve and Soda, because they'll always buy me a couple of bottles and let me help work on the cars.

(The Outsiders, p. 31)

Quiz: for each of the 43 words above, identify the part of speech. (Note: the contraction must be divided into two combined words, so total is 44 words.)

Verb	
Adverb	
Noun	
Adjective
